- § 282-25 Declaration of emergency; erection of temporary signs; removal of vehicles.
 - A. Upon the declaration of an emergency, there shall be no parking upon streets or sections of streets where temporary emergency no-parking signs are displayed. The Chief of Police or, in his absence, the ranking police officer is authorized to declare an emergency and to direct the posting of emergency no-parking signs when weather conditions, accidents, fires, public celebrations, etc., dictate or require the avoidance of hazards or other conditions which interfere with the free flow of traffic. Notification that emergency no-parking signs are being or will be posted shall be given to the operator or owner of any vehicle which has been parked prior to the posting of the signs.
 - B. Any unoccupied vehicle parked or standing in violation of this section shall be deemed a nuisance and menace to the safe and proper regulation of traffic, and any police officer may provide for the removal of such vehicle. The owner shall pay the reasonable costs of removal and storage which may result from such removal before regaining possession of the vehicle.
 - C. The effectiveness of this section is contingent upon the signs being erected as required by law.
